Holiday Itinerary

Clients	Mr & Mrs Walkers		
Walk:	Southwest Coast Path		
Start Date:	03 September 2015	Start Section:	Brixham
Finish Date:	06 September 2015	Finish Section:	Shaldon

Checking-in with your B&B hosts is from 4pm unless stated otherwise. If you wish to arrive outside the check-in time then please contact your B&B hosts beforehand to ensure that they can be there to greet you.

Luggage collection & delivery is usually between 9.00am and 3.30pm. If in doubt please check with your B&B hosts, as the luggage transporters usually contact them to make arrangement the evening before. Please ensure that your luggage is ready for collection each morning with the luggage label firmly secured.

Mobile signals can be patchy along the route— regardless of your mobile network – due to the remoteness of the area. You may have to resort to knock on people's door to ask to use their landline!

Taxi journeys are all booked and will be pre-paid by us prior to your holiday.

All ferries are subject to weather conditions and may be unable operate during periods of rough weather due to unsafe landing and crossing conditions. Although we do provide ferry times available from their website, do check the information boards at the landing points for current times before travelling.

Path Diversions: known diversions are included at the time of your pack being prepared to help you navigate. Do be aware though that these may change due to weather conditions and/or reinstatement of the path.
